

## **W 2 Professorship for Clinical Psychology and Psychotherapy (tenure track to W 3)**

### **Evaluation criteria**

An interim evaluation is conducted after two years in accordance with the Tenure Track Regulations of the University of Bonn. If this interim evaluation is passed, the W 2 professorship is extended for another three years. This second phase concludes with the final evaluation. If the final evaluation is passed, the professor position is converted into a permanent W 3 professorship.

The criteria for a successful **interim evaluation** are as follows:

- Successful participation in teaching of the master's degree program (MSc) in Clinical Psychology and Psychotherapy
- Successful management of the Psychotherapy Outpatient Clinic
- Successful research work, measured by publication success (more than 12 impact points over the two years) and proposals submitted for the acquisition of third-party funding in competitive processes
- Active involvement in the University's self-administration
- Participation in the department's research initiatives and proven interdisciplinary partnerships within the University of Bonn as part of its Excellence Strategy

The criteria for the **final evaluation** are as follows:

- Successful participation in teaching and in the potential expansion of the master's degree program (MSc) in Clinical Psychology and Psychotherapy if this is advocated by the majority of the institute
- Successful management of the Psychotherapy Outpatient Clinic
- Successful research work, measured by publication success (more than 30 impact points over the five years) and the successful acquisition of third-party funding in competitive processes
- Active involvement in the University's self-administration
- Participation in the department's research initiatives and proven interdisciplinary partnerships within the University of Bonn as part of its Excellence Strategy
